

- *I am supporting the jailbreaking of smartphones/tablets*
- *I am a user and an independent researcher*
- *These are the following devices that I would like to be able to jailbreak: iPhone, iPod, iPad*
- *If I do not jailbreak, I would lose my internship, quick messaging to any of my friends/family, customization of my device, using a better GUI, being able to manage what I use, use Siri with awesome commands, and be able to secure my device.*
